**APPLICATION FOR CERTIFICATE OF SMOKE DETECTOR, CARBON MONOXIDE  
ALARM, AND FIRE EXTINGUISHER COMPLIANCE**

Dear Applicant:

**Please read these instructions completely prior to filling out your application for Certificate of Smoke Detector and Carbon Monoxide Alarm Compliance (CSDCMAC).** When filling out the application please ensure all information is correct and all blanks are filled in. Prior to submitting the application ensure the property has the following:

- Smoke detectors are required in the common area of each floor of the building including the attic storage space. Refer to the manufacturers instructions for placement of the detectors.
- Carbon monoxide detectors are required on each level in any residence where there is a fuel-burning appliance of any type including a fireplace or an attached garage. If the unit is attached to another unit that has any of the above, a carbon monoxide detector is also required.
- Certified fire extinguishers are required to be installed in each cooking unit. (within approximately 10' withing the cooking area. The extinguisher must be at minimum 2A-10BC rating, dated for the current year. Extinguishers are required to be **mounted**. If the extinguisher is mounted in a cabinet, the cabinet door must be identified with a sign indicating the presence of an extinguisher. Extinguishers must not be mounted directly above or below the stove or range.
- All detectors and equipment must be in working order at the time of inspection.
- Ensure the street address is on the building and visible in 3" letters. If there is more than one unit, each unit needs to be identified.

**Do not submit the application until all of the above requirements have been met. Once the application has been submitted please contact our office at 609-522-2160 to schedule your inspection unless you leave keys or a code to enter the property. If the property does not pass inspection initially, a re-inspection must be scheduled along with another inspection fee.**

Thank you for your cooperation and helping us help you.
