BUDGET MESSAGE

NEW JERSEY 2010 LOCAL UNIT LEVY CAP LAW

P.L. 2007, c. 62, effective April 3, 2007, imposes a 4% CAP on the Tax Levy of your Municipality, with certain exception and exclusions. In addition to the all of the exceptions and exclusions the Local Finance Board may approve waivers for certain extraordinary costs identified by the Statute. The voters may also approve increases above the 4% CAP with a vote of at least 60%.

P.L. 2007, c. 62, was amended by P.L. 2008 c. 6 and P.L. 2010 c. 44 (S-29 R1). The last amendment reduces the 4% to 2% and modifies some of the exceptions and exclusions. It also removes the LFB waiver. The voter referendum now requires a vote in excess of only 50% which is reduced from the original 60% in P.L. 2007, c. 62.

Surplus Balance Remaining	2311700	3,178,632,10

2019									
CAPITA	AL BUDGET AND CAPITAL IMPROVEMENT PROGRAM								
This section is included with the Annual Budget pursuant to N.J.A.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.									
CAPITAL BUDGET	- A plan for all capital expenditures for the current fiscal year. If no Capital Budget is included, check the reason why:								
	Total capital expenditures this year do not exceed \$25,000, including appropriations for Capital Improvement Fund, Capital Line items and Down Payments on Improvements.								
	No bond ordinances are planned this year.								
CAPITAL IMPROVEMENT PROGRAM	- A multi-year list of planned capital projects, including the current year. Check appropriate box for number of years covered, including current year:								
	x 3 years. (Population under 10,000)								
	6 years. (Over 10,000 and all county governments)								
	years. (Exceeding minimum time period)								
	Check if municipality is under 10,000, has not expended more than \$25,000 annually for capital purposes in immediately previous three years, and is not adopting CIP.
