**Re: Wynnefield Development, LLC (Kenneth Schwartz and Andy Weiner)
428 E 22nd Avenue, North Wildwood, NJ, Block 291, Lots 10 & 11**

Dear Mr. Gundrum:

In light of the recent COVID-19 State of Emergency, please accept this request to reschedule the above referenced application to be heard at the June 2020 Planning Board hearing instead of the currently scheduled May 13th hearing date. This will confirm we will not re-notice and you will announce the postponement. Our client agrees to waive all time requirements as specified under the NJ-MLUL & City Ordinance in order for the City to act on the application.

If you have any questions, please do not hesitate to contact me at our Wildwood office. Thank you for your time and attention.

Very truly yours,
BLANEY & KARAVAN, P.C.
