Makeup Games

** Inclement weather is the only legitimate reason to cancel a game. If a game is rained out it is scheduled to be made up on the next available makeup day at the same rink (space permitting). If a team cannot make up the game on the first available date, it is considered a forfeit and the opposing team will be credited with a 1-0 win. Makeup days are only to be used for weather related cancellations.

COVID 19 – Anyone who is sick must stay home.

Players must wear a mask and are asked to arrive 20 minutes before their scheduled game. They must immediately report to the designated area for a temperature check/health questionnaire. No player is permitted on the rink until they complete the health screening and are cleared by their coach to participate. Coaches must wear masks at all times. Players must wear a mask before and after the game and while in the bench area.

All spectators must follow social distancing guidelines (minimum of 6 feet) and should wear a mask or face covering. Face coverings should not be worn by anyone under the age of 2 years old or where doing so would inhibit the individual's health.
