

Cape May County Flood Mitigation Assistance (FMA)

HOMEOWNER OUTREACH

What Is FMA

Nationally competitive federal grant program through FEMA for NFIP-insured structures

Project Types

The County will be prioritizing elevation projects

Cost Share

Pre-determined by FEMA at 75%, 90%, or 100% federally funded depending on incurred flood-related damage

Eligibility Requirements to Participate

Participation in the National Flood Insurance Program (NFIP) before, during, and after project implementation is required.

Cape May County will apply on behalf of homeowners interested in participating in the FMA program.

Please note that funding is contingent on FEMA releasing the funding opportunity, which will include specific criteria for prioritizing *structures*.
